

## As Plans and Friends Come Together

The first Timberwolf Reunion to be hosted by the Pups (August 29th to September 5th) is now only a few weeks away. The great numbers of Veterans, Pups and friends sending in their reservations is heartwarming. We are especially pleased to be honored by our friends from The Netherlands returning for their second reunion. We have planned a wonderful week of events that include all of the traditions of the 104th and have added several new features we hope all will enjoy. The nightly foxhole, daily sightseeing, a Mississippi River Boat Dinner cruise, Beer Bust, General Meeting, Memorial Service and Banquet will be joined by several guest speakers. We are honored to have several World War II veterans of the 104th present to lead our events and address our membership. Father McCarty will lead prayer and conduct Mass. We also are very pleased to have General T.K. Moffett speak. Throughout the week we will have published scholars on the role of the 104th Infantry Division in World War II lecture. We will also have a dedicated group of World War II re-enactors with vintage equipment and vehicles set up their portrayals and information.

Our first Pup sponsored tour of Europe has met its enrollment minimum so we will embark on October 15th. There are still some available spaces on this lifetime experience. This tour includes Normandy and will culminate in a Memorial event remembering the first battlefield experience of the 104th Infantry in World War II.

There are many more wonderful details to share about the upcoming events. Please continue to check back often for further updates as we continue to uphold our mission throughout the upcoming year.

Very Sincerely and Honorably Yours,

The Interim Committee of the National Timberwolf Pups Association,

Anne Karst Borchart	JeNeal Ann Granieri	Mary Jamieson	
Andrew Lane	Arthur Luque	Joy Luque	Paul Murphy
Rosemary Murphy	Joanne Rajek	Marilyn Shinavar
